Group IV, claim(s) 35-37, drawn to a game with a display cover having an aperture.

2. The inventions listed as Groups I-V do not relate to a single general inventive concept under PCT Rule 13.1 because, under PCT Rule 13.2, they lack the same or corresponding special technical features for the following reasons: the special technical features are listed with the groups above. As can be seen, the special technical features are not the same.
